Highlights

Specialized case for gaming
Protect your device in an attractive case that adds comfortable handles for improved grip and control when playing games on your device.

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

Power for games, movies & more
Don't let the action stop! The batteries provide the power boost you need to keep on gaming, surfing, watching movies, listening to music and more.

Runs on AA batteries
Since it works with AA batteries which are included and easy to find, it's easy to get a power boost or have the extra power you need to recharge wherever you are.
